series

Education series paired with workbook

A beautifully illustrated series that opens hearts to adoption through story, reflection, and the power of language.
A must-have for adoptees, families, and anyone interested in adoption

For families and young children (1-6)

Storybook + LifeBook + activity book

An all-in-one storybook, lifebook, and activity book that encourages children to ask questions, explore their adoption story, and build confidence through gentle storytelling and interactive activities.

In English, French, Spanish, and Italian

For families and young children (3-8)

Storybook + LifeBook

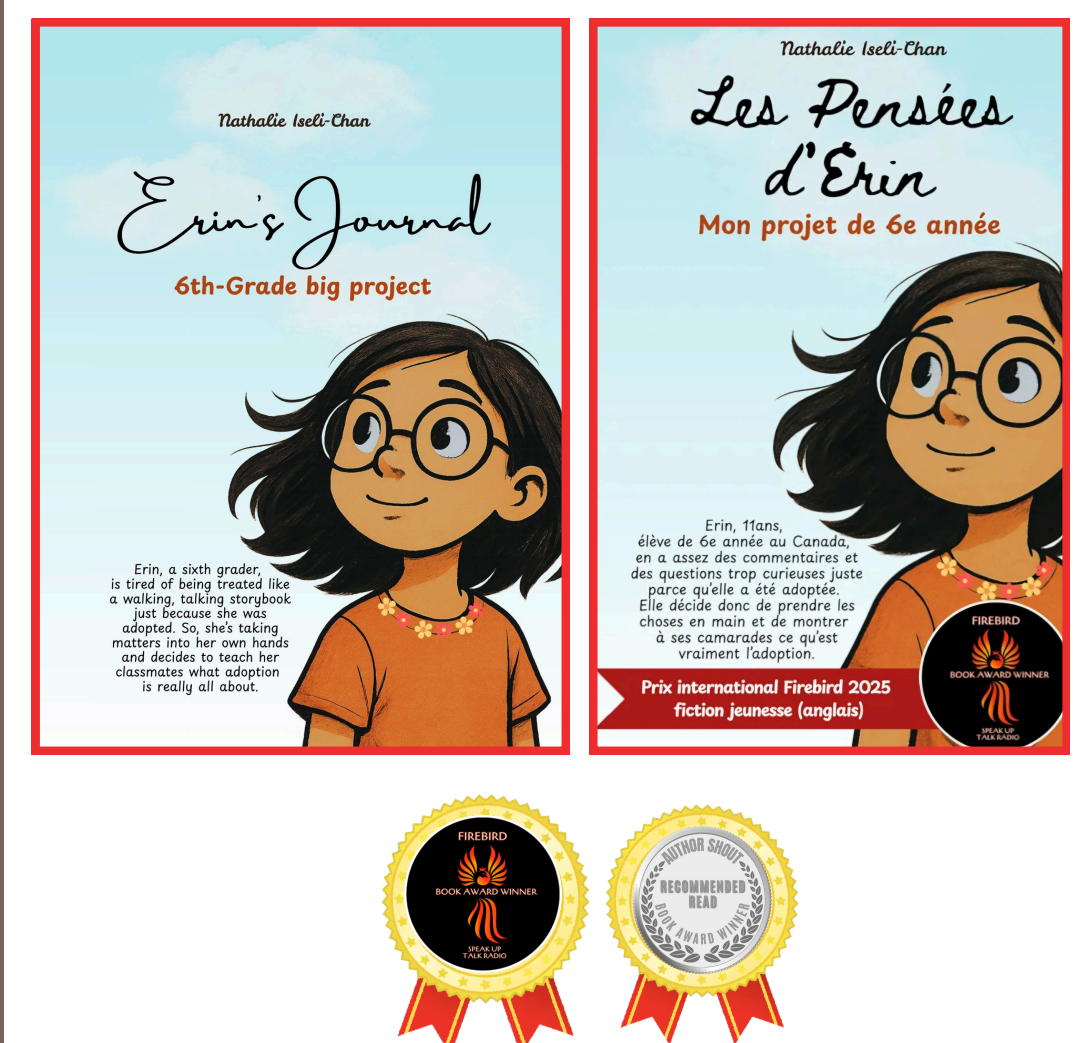

A simple story to spark conversations and explain the adoption journey to your child, paired with a LifeBook for your child's unique story.

For couples and single parents who adopted.

In English, French, Spanish, Italian, Cantonese, and Putonghua.

For preteens and teens (8-14)

Chapter books

A chapter book that voices what adopted children wish adults understood, while inviting everyone to learn. Honest, relatable, and thought-provoking, it speaks to preteens and teens, adopted or not, seeking truth, empathy, and understanding.
In English and in French
